

Didion Messenger - 8/20/21

Good evening Didion families,

This is your principal, Mr. Eder. Your Didion staff has been hard at work preparing for the first day of school on September 2nd. We can't wait to see our students back on campus! Here are some important updates:

Parent Orientation: There will be a [virtual Parent Orientation on Wednesday, August 25th, at 5:30pm](#) for parents interested in attending a live Zoom orientation session with Mr. Eder. Our Zoom meeting limit is 300 participants, so only the first 300 attendees will be allowed into the meeting. The presentation information will also be sent out via email and posted to the Didion website. Please register for the Zoom session if you wish to attend the live virtual presentation by following [THIS LINK](#).

Socially-Distanced Coffee Chat w/Mr. Eder: Mr. Eder will be available on Tuesday, August 24th and Tuesday, August 31st, from 9:00 a.m. to 10:00 a.m. out in front of the school for any parents that would like to introduce themselves, ask questions, or just to briefly visit. If you do plan to visit, please make sure to wear a mask and to maintain 6 feet of distancing between yourself and others.

Return to Health Plan: If you're interested in learning more about the COVID health and safety guidelines that Didion and all SCUSD schools will be following, visit the [Return To Health](#) page on the district website.

Past Email Blasts & Robo-Calls: To see all of my past email blasts and robo-calls, including my "20-21 Welcome Back" message, visit the Didion website at: <https://didion.scusd.edu/updates-mr-eder>. If you have not received past calls or emails from me, please contact the main office so that we can update your contact information.

School Supply Lists: Suggested supply lists are still posted on our Didion website. Follow this link for each grade level's suggested lists: <https://didion.scusd.edu/supply-lists-grade>. If you are ordering school supplies or other goods from Amazon, don't forget to [choose Didion as your AmazonSmile](#) charitable organization!

4th R and The Center: This fall Didion families have two after-school childcare options available to them. Please see the flyers below for information about the fee-based 4th R program and the Center's free Expanded Learning program. Priority for acceptance for the free Expanded Learning program is given to students in foster care, students experiencing homelessness, English Language Learners, students receiving Special Ed services and students experiencing disengagement. If there is extra space in the program after priority groups are accommodated,, open slots will be prioritized based on parent/guardian's application submission date and

time. Interested families need to follow this link to fill out an application for Expanded Learning:

<https://www.youthdevelopmentscusd.org/2021-22-k-8-application-e>

Volleyball Coach: We are currently looking for a middle school volleyball coach. If you are interested in applying, or know someone who would be, please share the application link:

<https://www.edjoin.org/Home/DistrictJobPosting/1463470>

Volunteers: We will be allowed to utilize a limited number of volunteers this school year who are fingerprinted and fully vaccinated. If you are interested in volunteering, particularly with crosswalk duties and morning playground supervision, please contact Ms. Gail in the office at gail-nakamura@scusd.edu.

Thank you all, and have a great night.
