

FAST APPROACHING!

2021 DIDION

Dragon Dash

Presented by the Genevieve Didion PTA

Event Details and Updates:

The annual **Dragon Dash** event is right around the corner. You can still register your student and collect pledges.

The Dragon Dash will take place this **Friday, November 12, 2021** during school hours on the blacktop. See below for times each grade level will be participating in the event.

The official event t-shirts will be distributed to all students before they begin their laps.

Each grade level will have 20 minutes to complete laps and fun and safe activities/obstacle courses throughout the designated route.

There will be two separate obstacle courses designed for Elementary and Middle students. Students will have the choice to walk as many laps as they can within the allotted time instead of completing the obstacle courses. At the end of the event, students will receive a wristband to indicate they completed their required laps.

Our goal is to raise **\$40,000** which will directly support the school's library, technology, and reading intervention programs, and provide direct classroom support for additional learning resources and supplies for all grade levels.

All donations are tax deductible!
