

Didion Neighborhood Kinder Registration for 2022-2023

Registration for **DIDION NEIGHBORHOOD-ONLY** kindergarten students for the 2022-2023 school year will take place at Didion from **January 11th to January 25th** (after January 25th, families must register through the District Enrollment Center). Registration will not be an in-person event as it has been in the past. To register, families may pick up registration packets from Didion beginning January 11th at 8:00AM. The packets will be located near the front office door in a bin, and will be available to pick up from 8:00 to 3:30 each day.

When packets are completed, they need to be returned to the Didion office to be reviewed and date stamped. **Enrollment into the Didion kindergarten will be based on submitted complete packets and on a first come, first serve basis and limited by space capacity.**

* Please note that the last-registered students whose registrations exceed class-size maximums will be subject to the district's over-enrollment process ("CONCAP"), which may result in those students attending another school starting in mid-September until space is available at Didion.

OUT OF NEIGHBORHOOD families interested in kindergarten at Didion will need to wait until the **Open Enrollment** window opens to apply for available spots after neighborhood registration. This window opens on February 1st and runs until February 15th. Visit the Open Enrollment website for more information: <https://www.scusd.edu/open-enrollment-k-8>
