

Discover an Exciting Pathway

Sacramento City Unified offers 31 specialty programs at both our neighborhood and small specialized high schools covering a wide range of subjects including culinary arts, law & public policy, visual & performing arts, college preparatory programs, and manufacturing & design.

Apply for a High School Specialty Program

Students who live within our district boundaries can apply to high school specialty programs online **October 30 - November 17.**

Visit our website to learn more about all the specialty programs, find out how to attend information and visitation events on our high school campuses, and read our FAQ about the application process.

Scan the QR code or visit scusd.edu/hsapplication to learn more.
