PRINCIPAL'S MESSAGE

As I reflect on our first month of school, and my first month as your principal, I could not be more enthusiastic about and inspired by our school and community. Last Friday I was moved by how many students and staff members showed their school spirit by dressing in Didion gear and school colors. I have always believed that schools can and should be places of transformation and hope for families and communities, and places filled with passionate and talented adults who believe in creating a place where students can thrive academically, socially, and emotionally. I feel lucky and grateful to be leading a school that is energized and committed to being GREAT. At the end of the day, we want every student to feel like they have been supported and challenged to reach their maximum potential. We want our students to feel welcomed and to feel that they belong. We want our students to feel safe to take risks and stretch themselves. We want our students to excel academically and, ultimately, be ready for high school and beyond. It's been a great start, but we still have a lot of work ahead of us. So...Let's Go!!

October is a busy month at Didion. Our volleyball season is well under way, and our basketball teams begin tryouts and practice. We also have a new flag football team with 4th-6th grade boys and girls who will represent Didion in the new elementary sports league. On October 10th, our 8th graders will be taking the PSAT 8/9 free of charge (for more information on the benefits of students taking the PSAT 8/9, [check out this link](#)). This month also features our annual Fall Festival on October 12th, which promises to be better than ever. Mrs. Rechs, our librarian, is hosting a storybook pumpkin decorating contest, with winners earning a gift certificate to our Scholastic Book Fair in November. Students also will be bringing home information on our biggest fundraiser of the year – School Kine Cookies. The School Kine Cookies fundraiser, along with the Fall Festival, are great opportunities for everyone to show their support for Didion and the programs and field trips that are funded by the PTA. I hope to see everyone at the Fall Festival, and I hope this is our best fundraising year ever!

Lastly, this month we will start up our student recognition and social-emotional learning (SEL) program through our use of "Gotcha Tickets." Each month we will focus on a positive trait as a school, and students will receive lessons and positive reinforcement in their classrooms around the trait of the month. When staff members all over campus witness a student exhibiting the positive trait, they may give the student a "Gotcha Ticket" that will be entered into a class box. Students whose names are drawn from class boxes will be acknowledged during blacktop announcements at the beginning of each month, and celebrated for being Dragons who exemplify that month's positive traits. Please encourage your child to talk with you about each month's trait so that you may reinforce from home and provide them with other out-of-school examples of how they can demonstrate these positive qualities.

Sincerely,

Mr. Eder

**CLOTHING
DONATIONS**

Do you have old t-shirts, sweatpants or sweatshirts in kid sizes? With wet weather approaching and playground accidents happening, these items are useful for when our students need them. Please donate these, along with new underwear in kindergarten, 1st grade, and other children's sizes, to the front office. Thanks for your help!

Storybook Pumpkin Decorating Contest

SUBMISSIONS OCTOBER 1 - 19th
VOTING OCTOBER 22 - 26th
School Library

Fall is fast approaching and your Didion Library is ready to celebrate! During the month of October the library will be hosting a storybook pumpkin decorating contest. **Students are invited to create a pumpkin based on a favorite book. Your pumpkin can look like a character, an important object, represent the theme of the story - your imagination is the only limit!** Pumpkins will be displayed in the library all month.

Please note: real pumpkins cannot be carved - they won't last on display and the moisture would be terrible for our library books - but you can use paint, glitter, feathers, fabric, you name it! You are also more than welcome to use a fake pumpkin.

Everyone who enters will receive a certificate. In addition, one lucky winner from each grade level will be chosen to receive a \$10 gift certificate to the Scholastic Book Fair in November!

Photos of past entries will be on display in the library and on our website

<https://didion.scusd.edu/library-happenings>. Pumpkins can be delivered to the library between Oct 1-19th. Voting will occur Oct 22-26th. Additional contest guidelines, entry forms and photos of past entries will be on display in the library and are available by clicking here: [Storybook Pumpkins](#). We can't wait to see what you come up with!

Can you believe it's October already? We hope your family has been feeling settled since the beginning of the new school year. This might be a good time to think about [Didion's Afterschool Programs](#), which focuses on Science, Technology, Engineering, Math, the Arts and Foreign Languages (STEM4AL). STAFF SPOTLIGHT PRINCIPAL JAMES EDER

Mr. James Eder recently began in his role as Didion's principal. Prior to this school year, he served as Assistant Principal of Sutter Middle School. Prior to that, Mr. Eder was an Assistant Principal at Rosemont High School and Cal Middle, as well as a hearing officer in the district's behavior office. He began his career in education as a teacher at Sutter Middle School.

ARE YOU SACRAMENTO-BORN AND -RAISED?

No, though I have lived in Sacramento for much of my adult life. I was actually born in Wisconsin, but my stepdad was in the military, so I moved a lot as a kid. By the time I graduated from high school, I had attended 13 different schools and lived in southern California, the Bay Area, the Midwest, and Miami, FL. After graduating from high school in San Diego I came to Sacramento for college.

WHAT SPARKED YOUR INTEREST IN EDUCATION AND SCHOOL ADMINISTRATION?

I believe that there are few things more noble or important than educating kids, and trying to prepare them for their adult lives. I think that we have such an incredible opportunity to positively impact the world and individual lives through this work, and all of us in this business are lucky because even though this is an immense responsibility, it is also FUN and life-affirming. In terms of getting involved with school administration, it truly was never a part of my original plan. I was very fortunate early on to have some amazing people who took chances on me and who mentored me, and encouraged me along this path.

SHARE WITH US ABOUT YOUR FAMILY. HOW OLD ARE YOUR KIDS? DO YOU HAVE ANY PETS?

I have two amazing and beautiful kids – a six year old boy and a three year old girl. They're hilarious and sweet and they keep me very busy and very happy. I do not currently have any pets, though my daughter would love it if we had a giraffe. Or a cheetah.

WHAT'S YOUR FAVORITE SPORT AND TEAM?

I love all sports and am an avid fan, especially of pro and college basketball, the NFL, and golf. The team I follow above all others is the Green Bay Packers. Go Pack Go!!

WHAT'S YOUR REGULAR STARBUCKS ORDER?

Grande Americano, no room.

WHAT DO YOU LISTEN TO ON YOUR COMMUTE HOME?

If the kids are in the car, it's probably Kidz Bop! LOL! If they're not, it's any combination of R&B/hip hop, something acoustic, NPR, or sports talk radio.
